

Struggling Artist?

Gallery space available!

Lewiston Opera Hall
736 Center Street

No Commissions • \$25/mo

Sound too good to be true? Not this time! Now you can afford gallery space to sell your work. There will be many other artists, which is a good thing because it will draw traffic to your work.

The location of your Gallery is right on Center Street in artsy Lewiston... in one of the most historic buildings in the Village. Lots of displaying flexibility.

All you need to do is pay your \$25/mo and sign up for one 4-hr shift/mo to help staff the space. We need 22 artists to make it work.
